## INTRODUCTION

PT. LINTECH DUTA PRATAMA is an experienced company in providing service as following: Engineering and Design for Civil (Piling/Foundation, Earthwork, Concrete), Steel Structure, Mechanical and Electrical (power and Control System). Fabrication for Carbon, Stainless and other exotic metal in Steel Structure, Plateworks and Piping. Plant Construction (civil-structure-mechanical-piping-electrical-instrumentation) and Commissioning Works. Our services's customers covering several companies in Oil & Gas, Mining, Powerplant, Cement Plant, and Various Industry.

## QUALITY POLICY

PT. LINTECH DUTA PRATAMA operates a Management System certified by SGS United Kingdom Ltd for Quality Management System ISO 14001: 2004.

For each contract we develop a Project Quality Plan which incorporates the Quality Assurance Manual and a series of project specific procedures, together with organizational detail, job descriptions and the particular quality record forms that will be used for the contract. The Project Quality Plan and associated Inspection and Test Plan therefore define the Quality Management System to be applied in order to satisfy the requirements of the Quality Manual, the International or local Standards and the Customer Specifications. The Plan is formulated from a review of Customer requirements and our own Quality Objectives, which are often set to exceed contractual or regulatory specifications.

ASME "U" Stamp is for the manufacture of Pressure Vessel as ASME Section VIII Division 1, 2007 Edition, 2008 Addenda. We are aware that quality is a continuous process of improvement. In line with this, we are continuously upgrading our system and controls so to comply with our Policy to meet the objective of Zero Defect in the delivered product.

Customers may to audit our Quality Assurance Management System by appointment and we welcome critical evaluation and comment with respect to of our commitment to quality.

### VISION :

To be the Global Contractor of Choice for Engineering, Procurement and Construction (EPC) Solutions having Sustainable Growth and achieving World Class Standards.

### MISSION :

PT. LINTECH DUTA PRATAMA will be distinguished company and preferred partners for best EPC business in applying a comprehensive method for improving the quality of life of mankind.
